Infection and response

SUMMER TERM

Biodiversity

First aid

Each topic will have:

1. A spelling and definition assessment of 10 preidentified key terms which are to be found in

exercise book in yellow and are also highlighted on the green glossary sheets stuck at the beginning of each topic.

2. A 30 minute written end of topic assessment focussed on the learning outcomes which are on the blue sheets stuck in

book

At the end of each term there will be a 45 minute written assessment on the four topics studied that term, focussed on the learning outcomes which are on the blue sheets stuck in the

Virtues

Through the curriculum we will work with students to develop good sense and those virtuous qualities that will enable them to be successful, well-rounded individuals.
